

Instructions to Poster Session Authors

The poster presenters are required to meet the following guidelines to make their posters:

- Each poster should have a dimension of 4 feet high x 3 feet wide (including the frame)
- The poster should feature a title, name, name of the institution/university/college where the work has been carried out.
- The poster contents should include clear aim, objectives, methodology, results, conclusion, references and acknowledgement.
- Crisp and clear design of the poster is recommended.
- All the letters should be legible from 8 feet away.
- Graphical or image illustrations should have 300-600 dpi image quality.
- For product demonstration, small (50 cm x 50 cm), portable and light weight (≤ 1 kg) models are allowed.
